

An integral part of the transition process at Forest Hill College is to collect data about the learning achievements of the incoming year 7 students. This data allows staff at Forest Hill College to deliver a curriculum which meets the individual needs of all students. Data is collected in two ways, Primary School teachers supply information regarding student achievement and learning and Forest Hill College conducts independent Literacy and Numeracy assessments. This provides teachers with the information they need to plan a differentiated program to support each student in their learning. Through this data we become aware of students who would benefit from enhancement or programs for extra assistance. Consequently, **we are testing all students who have enrolled at Forest Hill College on Saturday 17 October 2009.**

Students who are applying for the S.T.EM program will not need to undertake the Literacy and Numeracy testing.

The timetable for the morning is::

8:50am	Students register at the Junior Resource Centre
9:00am	Comprehension Test (approximately 45 minutes)
9:45am	Morning Tea provided for all students (Drink and a snack)
10:00am	Mathematics Task (approximately 45 minutes)
11:00am	Students are dismissed

Students are asked to bring with them:

- 2 sharp lead pencils
- Pencil Sharpener
- Eraser

Please complete the reply slip and return it to the College in the stamped self addressed envelope provided by Friday 4 September.

MEAGAN COOK
Assistant Principal

REPLY SLIP
LITERACY & NUMERACY TESTING

Student Name: {INSERT STUDENT NAME}

Primary School: {Insert student Primary School}

✓
