Term 3 is now upon us as we begin the 2nd second semester. The PA happily assisted a group of students who organised a lunchtime sausage sizzle at the end of term. The students were raising funds going towards the Queensland floods and really appreciated our assistance on the day. How nice to have been asked and the collaboration was a wonderful success! They really don't mind having parents around the college, in fact they are very welcoming and a pleasure to work with.

Term 2 - Last day of term

Lunchtime Sausage Sizzle

On the 23rd of June the PA was on hand to offer assistance to the Music Department's Winter Soiree. A lovely evening was had as music students and their families enjoyed an array of music items and then relaxed and met other families at the conclusion of the evening with a light supper. Thank you to those members who assisted on the night. Any member of the school community is most welcome to participate at such events and an opportunity to meet other parents becomes available.

Occasionally the PA will meet for dinner and combine a very brief meeting during the evening. This is just another way to get to know other members of the school community and we welcome all. Please check the school website and Bulletin for any upcoming events and how you can participate. The PA is a very rewarding experience and a contact is just a phone call away. Please phone the school office and a member will be in touch with you with details and information that can assist you on becoming part of this wonderful group.

The Parents' Association meets every 3rd Monday of the month at 7pm in the conference room (via front office) so please make some time to attend and meet the group and the Principal (Jenny Cook) who attends all our meetings. You will be made most welcome as we discuss what we might like to do as an association to assist the college and essentially the students.

Remember, we are ALL members of the school community and as members we have an opportunity to be connected to this place of learning where we send our children to everyday.

TO ALL FOREST HILL COLLEGE FAMILIES!

The Parents' Association's next meeting will be on Monday the 15th of August at 7:00pm in the Conference Room (via the front office).

The topic for this evening will be:

'Understanding Student Reports'

The information relating to this topic will be explained to all families who want to know more and better understand the processes that lead to a final copy of a student report.

Please make time to attend this very informative information evening. We look forward to your attendance and meeting you.

Kindly RSVP to Janice Marston (PA President) on 9878 3638 for catering purposes.
