Term 4, 2011

Vol 9, No. 3

*The final countdown for 2011 is on as Term 4 quickly goes by. This term the PA will be focusing on running a successful **SECOND-HAND BOOK AND UNIFORM SALE** for all families.*

Volunteers are welcome for both days (receiving of books-Day 1 and selling of books-Day 2). Please contact Janice Marston (President) to confirm your availability and how you can assist on the day as there are various duties and procedures that will need to be explained beforehand. (Please refer to the Information Packages coming home for all families in late November for these dates).

On the 27th of October our Year 12 students were farewelled at assembly and recognised for their achievements, not only for 2011 but for the completion of secondary school. A morning tea was organised for students and families to celebrate this. Two of our parent members of year 12 students experienced this special occasion. A special acknowledgement goes to Jacqueline Cummings who has had a long association with Forest Hill College and the Parents' Association, the last 2 years serving as Secretary. Thank you so much JC for your invaluable support and availability, your commitment to the PA has been very much appreciated. It has been a wonderful partnership and we will miss you very much. If you are stuck for something to do next year, you would be most welcome to join us as a community member!

*Term 3 saw members assisting in the canteen at the 3 day production of **Screamfest**. PA members happily assisted serving delicious snacks and refreshments before and during intermission over the 3 evenings. We hope everyone enjoyed themselves.*

Thank you to Mrs Linda McGloin for her amazing talents and for putting together such a wonderful performance on such a large scale. We appreciate your inclusiveness of the Parents' Association and for creating an opportunity for us to be involved as part of a whole school event.....so much fun!

*On the 24th of October members were on hand to assist with the music department's **Spring Concert**. Supper was served in the canteen of the **Kel Watson Theatre** and we hope all families enjoyed the evening. Thank you to Janice and Suzanna for representing us on the night.*

As part of our contributions for the year, the PA donated \$2300 for the purchase of timber which is going towards the completion of four tables and chairs settings that will be placed around the school.

*PA members
Screamfest 2011*

*Final PA meeting and farewell to Jacqueline Cummings at
Piccolino's Restaurant on 14/11/11*
